G.O.Rt.No. 199

Dated. 11.02.2009

Read the following:-

1. From the Chief Engineer(Projects) Ongole, Lr.No.CE(P) /OGL DEE/AE5/26/2008, dt.13.08.2008.
2. From the Chief Engineer(Projects) Ongole, Lr.No.CE(P)/OGL/ DEE/Pothuraju, dt.31.10.2008.

ORDER:

The Chief Engineer (Projects), Ongole in the letter 1st read above has submitted the proposals for modernisation of the Pothuraju Nala. Pothuraju Nala originates in the hillock of pernamitta situated at 4 Kms Western side of Ongole town is passing through the town for a length of about 6 Kms. The Pothuraju Nala is not able to accommodate the peak monsoon floods. Due to various reasons such as silting up, Nala at many places is having obstruction for flow due to inadequate pipe culverts etc., constructed earlier. It is creating havoc during peak monsoon floods, causing inundation of several low lying areas adjoining on either side of the Nala. During peak floods, the Municipal and Revenue authorities are forced to evacuate the residents of the low lying areas by setting up rehabilitation camps. The proposals has been received from the Chief Engineer (Projects), Ongole, to provide improvements to Pothuraju Nala drain for an amount of Rs.12.00 crores for consideration of administrative sanction.

2. The Chief Engineer,(Projects), Ongole in the letter second read above has stated that in the earlier proposals the improvements to Nala were made up to the urban limits ie., up to the Railway Bridge for a length of 5.5 Km. However, there is a necessity of desilting of Nala beyond the railway bridge up to the Check Dam constructed on Nala at 1.3 Km down stream of Railway Bridge. Due to this, the revised cost of above proposal is worked out to Rs.12.50 crores.

3. Government, after careful examination of the proposal of the Chief Engineer (Projects), Ongole, hereby accord sanction for an amount of Rs.12.50 crores (Rupees Twelve crores and fifty lakhs only) towards “Improvements to Pothuraju Nala drain Passing through Ongole town including construction of Box Culverts and High Level Bridges in urban limits”.

p.t.o.

4. The expenditure sanctioned at para (3) shall be debited to the Head of Account "4711 – 03- 103 – GH – 11– SH (12) – 530/531". The expenditure on the above scheme will be incurred from 2009-10 Budget onwards.

5. This order issues with the concurrence of Finance (Expr.PW1) Department vide their U.O.No. 3138 / 141 / Expr.PW1/2009, dated.09.02.2009.
